

Applicant: Markku Kyytsonen
Application No.: 10/516,572
Response to Office action mailed Mar. 9, 2007
Response filed July 9, 2007

Amendments to the Drawings:

The attached sheet of drawings includes changes to FIG. 2. This sheet replaces the original sheet including FIG. 2, and shows a roll 51 which forms a loading element outside of the rolls of the multi-nip calender.
